

EDI CON UNIVERSITY 2018

Your company can participate in EDI CON University. These 2-hour sessions provide hands-on training or in-depth tutorials on a technology. EDI CON University sessions include topics programmed by event management and a limited number of sponsored sessions. All attendees to EDI CON University sessions also have admission to the conference and exhibition on October 17 and 18, including workshops, panels, and technical sessions, as well as speed-training in the Frequency Matters theater, admission to the show floor, and welcome reception. IEEE has granted preliminary approval to provide certification credits for applicable EDI CON University training sessions.

When: October 17-18, 2018

Where: Conference Rooms at the Santa Clara Convention Center, Santa Clara, CA

Attendees: EDI CON USA Full Conference Pass Holders

EDI CON UNIVERSITY sponsors receive:

- One 2-hour training session, includes A/V (video display, computer, remote, podium microphone)
