

# Electronic Design Innovation Conference & Exhibition

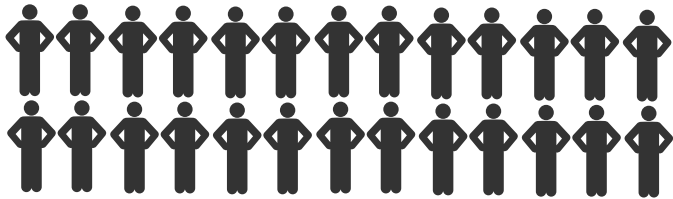

Where high frequency meets high speed.

September 11-13, 2017

Hynes Convention Center  
Boston, MA

# EDI CON USA BY THE NUMBERS

We've promised you great education, training and networking at the 2017 Electronic Design Innovation Conference (EDI CON) USA. But don't just take our word for it! Let data from last year's inaugural event do the talking.

**1,400**  
Attendees

**149** Exhibitors

“Excellent show layout. Easy to find exhibitors. You had a lot of major companies that make it worthwhile coming to the show floor.”

★ **95%** ★  
Rated as Good or Excellent

“Great show. Different from other ones because the sessions were not full of marketing information, but real useful information.”

**15**  
Countries

and

**35**  
US States

R E P R E S E N T E D

“It is wonderful to have so many specialists in one place. You can get your problems solved. This is a great conference.”

**117**  
Sessions/  
Workshops

**96**  
Industry  
Expert  
Speakers

“The sessions were well planned and well attended.”
